

How to get to CA'N GERONI – CARRER DE SA MITJA LLUNA, 27 – PORTO PETRO (Revised okt. 2008)

From the Airport, follow the signs on the motorway to SANTANYI. Before you reach Santanyi, you will go through Campos. Just before entering Santanyi, turn left towards Alqueria Blanca. You go straight through Alqueria Blanca and head towards Porto Petro.

You drive through Porto Petro's waterfront, past the Lin Utzon white palm sculpture in the roundabout and follow the signs towards Iberostar Club Cala Barca/Rancho Jaume. You go straight on in the new roundabout. About 300 m after this roundabout, you turn left in the t-junction (approximately 1 km from the harbour). Go straight on approx. 300 meters, then turn right towards Iberostar Club Cala Barca, and after approx. 70 meters, turn left, following a sign saying "200 m Rancho Jaume" (there is a horse field on the left). After approx. 70 meters the road forks out, and you take a very sharp left turn. After approx. 100 meters, where the two roads join, you will see Ca'n Geroni on your right hand, between the road and the sea. The name "Ca'n Geroni" is on the house. And the street name has been put up on our wall: Carrer de sa Mitja Lluna.

To simplify: From Porto Petro follow the signs to Rancho Jaume. The house is placed on the cliff, right on the sea, between Cala Barca and Caló de sa Torre.

The map shows the route from the harbour to Ca'n Geroni. It is painted in red.
